

[Transcript] Mamamia Out Loud / And Just Like That...Recaps Are Coming

Is that your Sex and the City impersonation? I like it. I like it. She's back calling all Sex and the City and just like that, fans, we are unpacking the brand new season in special subscriber episodes from the fashion, the friendship, the relationship follow-ups. We all know that Aiden is back. We've seen it on that. It's not a spoiler because it's on all the trailers.

Friends, I have had a sneak peek at a couple of episodes and I'm busting to talk about it. There's a lot to discuss. So we are covering it all. We are going to be recapping and just like that every Friday morning. And if you become a Mamma Mia subscriber, and why wouldn't you, because you get all kinds of good stuff if you do and we love you so much, you get to listen to that recap with us. So do it every week. While the show is on, we are going to be in Sex and the City world.
