How does get more done?

Wonderful. Thank you very much.

If it's not indiscreet, what do you do with this money?

Well, the guy says, I'm going to try to get into the school to spend my life driving.

And the lady next to him says,

Don't listen to him, Mr. Gendarmes.

He doesn't care. He's as stupid as a polo man.

And behind him, there's Pepe, who opens the window, who does his thing.

I knew it! I knew it!

That we'd end up seeing you in trouble,  
driving in a stolen car.
