

Yeah!

When Carl's Jr. plays with fire
and a big char-brilled Angus burger
with melted pepper jack cheese,
spicy Santa Fe sauce,
and a whole fire-roasted charred Anaheim chili,
you get layer after layer after layer
of the big, bold, smoky, sweet heat
of the new Carl's Jr. Big Char Chili Burger.

Yeah!

For a limited time at participating restaurants.
Rihanna, uh, we don't know what we're talking about.
Rihanna, for me, Rihanna, for you.
Help Christophe Bougrand sing Rihanna.
Where are you been all my life?
Where are you been all my life?
I understand the price for this secret story.
Because you don't see what can make us laugh.
If you're a big head fan, this channel is made for you.
Every day, find the replay of the show in full and without any cut.
It's also archives from the show since 1977.
The best funny stories.
The cult moments, but also unique and exclusive content
produced by the big heads only accessible to subscribers.
It's now available for 1.99 euros per month on Apple Podcast.
All the ingredients of the big heads are there.
Reparties, humor, humor, culture and crazy stuff.
