The

Campo del gas

Como no podía faltar la suscita al campo del gas señor director García tal buenas noches

Se le ve

Se le ve

Me han ojo te to que otro amigo vio verdela leti pero casi por algo y vamos de hecho estamos obviando ya lo que pasó

Da igual que la leti vera 06 el pamplona o ira perdió 80

That's it, that's it.

Hi, Jaime, how are you?

Oh, we have Derby tomorrow too.

Yeah, yeah, yeah, it's going to be fine.

It's going to be fine.

Besides, they're playing against each other, because there are two different points now, and if they win, they pass, right?

And if they win, they go five.

You always get the worst, always.

That fake Modesty, I can't do it with her.

It's a 1000 Baht pro.

You know, this has already changed.

This has already changed, this has already changed.

We're all covered up there.

But I'm going to tell you...

Seeing your teams is much better.

It's just that we're very bored.

I'm seeing that every time you're bored.

At 3D, of course, they run a lot.

They run, and it's exciting.

Look, yesterday and 2-2 until the end,

and the same goes for Real,

but I see Madrid, Atleti,

they're very bored.

It's a very boring game.

Man, this has just begun.

Well, yeah, that's the bad thing.

There's a friend of his

who gave Sunday

at 11 p.m. at the end of the season.

Of course, he did well.

He doesn't care about what happened.

He won the Champions League, the Champions League, all of them.

Sixth Tete.
Hello, García, hello, how are you?
Hello, good evening.
We're up on the Reds and Blancos.
The Reds and Blancos
on the side of the river.
You said...
You said...
The Reds on the side of the river, too.
Your kids have been wearing Atleti's shirt
all week.
You think about what happened yesterday.
I put it on the floor and walk alone.
He screams at Atleti.
Atleti, Atleti.
Damn, Jaime, this.
It's a very boring game.
They're all the same.
The bets were 3-1.
I told Atleti,
Atleti won't lose.
You weren't very optimistic, but...
I thought he didn't win.
No, it's fine.
I didn't see him well.
I saw him on the day of Valencia.
I don't know.
I think it's the best game of Atleti Madrid.
Yes, definitely.
The first half of the game was...
Because he won with determination.
We're losing the league.
We're at a point.
The 3-1 goal of Morata.
That's where it worked.
It's interesting that the rematches are so clean.
Crossing the area.
Like the rest of your life.
Good center, good header.
Yes, but there are some defenders...
They asked for it.
When you get a good center,
it's not so easy for the defenders.
Yes, but...

You stay with that and...
That's historic.
Good center played by the striker
who anticipates the defense.
Atleti Madrid.
Atleti Madrid.
Well, let's go.
We want to thank you,
because tomorrow we have one of the many
matches of the year,
but this one has a special transcendence.
Because it's the...
It's the unified world title.
Exactly.
The promotion of the players.
The director says two kings
and a throne.
No pity.
The promotion of the...
Of course, two kings, because
Germel Charlo is the undisputed champion.
He has the four belts.
That's true.
And Canelo has the four belts
of the supermedium.
That means that Charlo
has two categories of his original weight.
Exactly.
People also said that
the brother,
who was in the middle
was the one who should have
been with Jero.
He has a lot of problems.
I don't know what happens to him.
He's the one who lost.
He's the one who lost.
His name is Germel and the other is Germel,
as we said.
He lost against Toni Harrison
and then he won.
He has that defeat,
so the brothers don't talk.
They haven't been together

for a long time.
They've always been in the corner
without talking.
People with problems...
They'll be preparing the fight between the two.
Two brothers who don't talk
and hate each other.
They're going to do that.
Germel said that
he loves his brother
but he doesn't like the way he goes.
Look at you.
I want to say this to the people who say
he has two categories.
If Germel Charlo is bigger than Canelo.
You'll see
that he's taller.
Obviously,
Canelo's weight
is the ideal weight
where he finds himself
comfortable.
But he also comes
from the lower divisions.
And he has two more
of what he's going to fight this weekend.
That's why I say it's a fight
and we're talking about weight.
Let's see if the weight of time
doesn't happen in Valdez
because of Canelo.
He's been doing it for years
and he's had a lot of difficult fights.
And with that,
I'll finish on my part.
The question is
to see how Germel Charlo
adopts
a clear posture
that determines
to beat Canelo
around Canelo.
It's the first time
that they fight.

This is Canelo.
This is Castillejo
when he fights with Delahoya.
And then you see him there
not only with Delahoya.
And everything that surrounds him.
And you've seen the video
and if he's faster than
Canelo,
when he hits the first one.
But well, a passionate fight.
Jero, how do you see it?
I can see it very clearly.
There's a clear advantage for Canelo.
He's 86, 87 kilos.
And Germel,
no matter how tall he is,
he's not going to lift more than 77, 78 kilos.
We're talking about
an easy difference
between 8 or 10 kilos.
Anyone who's boxing
knows that
the first two jumps
are coming out
at a good speed.
But when they start hitting
Canelo,
it's a chronicle.
But there's a big difference.
10 kilos is like a heavyweight
against a semi-heavyweight.
You have to remember that he's going to give the weight.
He's going to give the weight
and then he's going to lift.
In a natural way.
He's going to take those, I don't know if so many,
but quite a few kilos
of advantage
will be for Canelo.
There's another key.
If they're slower.
That's why the time
the heavier types

and all this with a fast type
look, Vibol at another level
if he moves a little
they start hitting the rounds
with the rest of the heavyweights.
That's the speed.
Vibol
looks almost 190
and above the ring
was 91 kilos
apart from the speed he has.
But he won by speed.
Not by physical power
but by speed.
But the key is
to put the weight he has
with that speed.
In the end he doesn't stop being a boxer
with 91 kilos.
I don't think
he's going to caress God
but he wasn't
able to stop in the first fight
in Braian Castaño.
Braian Castaño is a boxer
who was in the round.
He was in the first fight
but in the first fight
Braian won.
For me too.
Braian Castaño
I think he won
to Jermel Charlo
but in the second part
he knocked him out.
Jermel already knows
what he's going to face.
For me he's a favorite too.
But people don't realize
that time is passing
and the fight of his life
is for Jermel Charlo.
Jermel Charlo won.
For Canelo

to lose this fight
could be the end of the Titanic.
No one was going to win.
I have a question
but have you seen
risks in the guard
of Canelo?
Have you seen weaknesses?
No, but
I'm a little slower
with less defensive ability
if I've seen in the last fights.
I don't know if Vibol is different
because Vibol
I think surprised everyone.
You have to remember that when he fought with Vibol
the famous haters
of Canelo said
he was the weakest of the champions
of the semi-final
and then
he already has it.
But for Canelo
I had to fight with Ryder
because he knows that
it's a fight for him
to keep up
because what is indisputable
is that
it's not normal.
How is it possible
that there are more than 20 million dollars
sold?
That the good
of
at least
50 million
for Canelo.
It's an industry
and I don't know what this guy does
I don't know if everyone wants to see him win
and those who want to see him lose.
I go up
two categories

2, 2, 3

We never thought about it
but go to Canelo to do it.
Anyway, I'm like you
it's favorite but not so much.
There is no doubt about that.
Charles is a boxer
who unifies a crown
as he unifies it
and he has lost
he has been fighting
which is a crack
what happens is that
there is going to be a Mexican rock.

Yes sir.

Jero who enjoys it is a big hug
thank you for being in the field of gas
as always.

Good hug to the three

Good hug Jero

Well that was in Las Vegas

It's coming out

It's coming out

It's coming out Canelo

I'm going to sleep for a while

It's coming out

It's almost an hour

From what you say

Now it's the main sport

It's coming out

The first one

It's coming out of the poor and it's going to take 20 minutes

And how do you put the three

signs of Mexico

of the United States

The exit

and then

the last ones have been

spectacular

We also have D'Azone in Bosnia

Yes, D'Azone

There is a good British villa

with a female presence

a duel of invicts

Hayao Peta and a Australian fighter
against Jordan Thompson
the two invicts in the cruiserweight
It's a good fight
to open the mouth
Canelo will start
I'm telling you
The villa starts at 2
It starts at 6
Fight Sport
For the people who ask
How do you do it?
You have to pay
You don't have Fight Sport
You have to look for it
I don't have it
But this one has to do with the D'Azone
No
We don't afford it
The D'Azone is on Saturday
Precisely Canelo who had a contract with D'Azone
Now he signed three fights
with this other one
PBC, Premier, Boxing
PBC
The modern ones
We have a British
from Atacatanga
And he signed three contracts
100 million
The one you are going to transmit
is the D'Azone
Besides this
We have a friend from La Bodega Protos
I've met him this week
He's a great guy
He's a great guy
from El Campo del Gas
He told me that
there they have a space
dedicated to David Jistau
They gave him a tribute
and they have a good relationship
with his family

A hug
We give him a hug
and they give us a bottle
and they give us a drink
Zilei
He's 40 years old
He went to Wembley for the second time
In Wembley
He's 40 years old
and he has something to say
in the heavyweight
He's the Chinese
When I talk about Fury
Joshua
He's a great guy
He's a great guy
He's a great guy
He's a great guy
He's a great Chinese
He's a great guy
Zilei
And he's a great guy
He's a great guy
He's a great guy
He's not at work
I don't know if any of the others
are here
Joshua
He's a great guy
He's a great guy
He's a great guy
He's a great guy
He has three titles
He's going to fight with one of the guys
from the UFC
And then he's going to fight with another
He's gone on the other side
And then two long term fights
One on December 9
He's confirmed that he's going to fight
against Deminghani
He's a great guy
He's going to fight
He's going to fight

He's going to fight
And then he's going to stay on top
And then he's going to fight
To stop where maybe even
Maybe stop where he can
Becauseed
Slather
It's a very good fight.
Well, gentlemen, let's enjoy the game.
We'll have time.
Jaime, have a happy week.
Good luck tomorrow for the derby.
Thank you, director.
