RTL, 6 big heads, 5 fake news.

Morgan is on the phone to try to find the real info among the fake news.

Hello, Morgan.

Hello, Laurent. Hello, big heads.

Oh, what a fish! A fish from the Atlantic Loire.

So, you're not 37 years old. You have a very young voice.

Well, thank you.

Well, what do you do in Morgan's life?

I'm a manager in logistics and transport.

Manager? Manager. You always feel the guy who manages.

That's true, you have to say.

We're trying.

Do you have any big heads among the big heads that are here today?

Obviously, Karim, because I'm a basic Nantian.

Obviously.

Here, we never talk about Nanties enough.

That's true.

After, I really like Stylvig. I haven't heard him for a long time.

Kiss, kiss, kiss.

Kiss, kiss, kiss.

Don't you think you're crazy, Hans?

Kiss, kiss, kiss.

Oh, it's more funny now.

Kiss, kiss, Morgan.

No, but he must have a good head, Morgan.

We're not complaining.

Oh, I don't know. There are things that I feel.

No, but are you sure you wanted to talk about your head?

Oh, well, yes.

We like little butter, Nant, right, Morgan?

That we didn't read.

Well, apart from that, Morgan,

it's to me to talk, maybe.

Yes, it's true that it's me who's saying this.

Apart from that, Morgan, as much as you say you're going to maybe go to Normandy, spend a weekend for two during the night at the Coppelia garden.

We know it's at the bottom of the sea,

well, between Campagne and sea, two paddocks, a view exceptional

on gardens, on obviously the estuary of the scene,
the charm of the large spaces.
It's a respectful establishment of the environment.
It's beautiful, the Coppelia gardens, with, in addition, the charm of the Manoir.
Normandy, go and see, on garden, go and see, on gardencoppelia.com,
you can, in addition, see the photos of the Jacuzzi, the Hammam, the swimming pool,
a little like the Jacuzzi in which there were your farmers yesterday.
I saw two boys in a Jacuzzi.
I was shocked yesterday.
My family didn't like it.
My family is very, very hetero.
And to see these two boys in the Jacuzzi,
you present us the porno stuff now.
Not at all.
He was washing himself.
No, he was tripping, he was tripping his nail.
Well, that's your imagination, we didn't see anything.
Oh, wait, I have the companion there, dear, it's not me who's going to do it.
No, no, no, no, we're shocked.
Steve and I, we're shocked.
Oh, yeah, yeah, yeah.
Well, anyway, you're going to be able to do as much as you can in the Coppelia garden.
A condition to check the real information among all the ones you're going to hear,
everything and anything, obviously.
And let's start with Steve, right here.
So, wave of explosions again in the night of Sunday in the Lundi.
Christine Bravo gave reassuring news by boiling,
everything is fine, MacAf is fine.
Alex Miseric.
Yes, Scandal to France Insoumis.
Last night, Jean-Luc Mélenchon and Sofia Chiquirou
took twice the rocket salad.
It's false, and you're on the bike.
I didn't get it.
In Strasbourg, from 9 to 13 October, everything can be false.
So you have to think about each of the parties.
Thank you.
Conferences of the round table of a march and interventions in the school environment are planned
to fight against the harassment of the street.
By the way, I agree that it's pretty serious, the harassment of the street.
It's over, let's continue, let's continue.
Are you surprised that there are only 80 people?
Yes, all the time.
Oh, well, you have to be crazy.

It's per day.

80 people per day.

Only once a week, it makes 600 people at the end of the week.

Do you get it or not?

It's not always understood.

You don't know that, it's because you think there's a hole and you hit it, you hit the hole, but it's not the right hole.

No, no, no.

You get it?

So you say, if you think it's the right one, you don't get it, because basically, it's not the right word, it's not the right button.

So you don't understand anything?

Okay, okay.

No, but I suggest that you start over.

I'm not starting over, that's enough.

There are round tables, there are marches and interventions, all that, against the harassment of the street.

All that, organized by the association,

from Pointe-Voix-les-Guillemets,

say hello, you fucking bastard.

It's not you who's addressing that, Isabelle.

But still, it's me who's looking at her.

Karine.

The Eiffel Tower, illuminated in blue and white in the color of Israel,

in the final phase of the World Rugby Cup,

96% of the supporters, interviewed at the pub's exit,

did not understand why the Eiffel Tower was in the color of the Argentine team.

You're on review.

The discussions with the Hamas about the detainees in the Gaza strip are led by Qatar.

Kylian Mbappé, not very informed at the moment with the PSG,

is very worried, he is afraid of being exchanged.

Isabelle Mergo.

You made it.

Antoine Dupont, I'll maybe play with a helmet,

the quarter-final against South Africa,

Dimanche,

Dimanche Virgule,

unless he plays with a long hat, a can,

and a black moustache, or in any case,

a second Dupont could pass it over to them.

So, who said the truth?

Morian, it seems simple.

By elimination, I'm going to start with Hector by saying no.

Okay.

He was quite...
Yeah.
Next.
Okay.
For Joanne Riou and Hamas, I'm going to say no.
Okay.
No, Mbappé will not be exchanged by Qatar.
That would be funny.
Even if it's true, we are told that Qatar finances,
anyway,
Okay, we don't want to say anything.
No, no, no, no.
As long as we are not bought by Qatar,
we can go.
But the day will come when we will do it.
Like everyone else.
You want to go to Al Jazeera to make big heads?
It's a demand.
Big heads cut.
Big heads cut.
So, apart from Joanne Riou and Hector Obal,
who do you still eliminate?
I will eliminate Karine Marchand and La Tour Eiffel.
Yes, of course.
And obviously, it's good in the colors of Israel
and no Argentine team,
the blue that we can see on La Tour Eiffel today.
I will eliminate Alex Dizorek and Mélenchon.
Yeah.
We do not know what they ate,
but I think you can eliminate me.
Indeed, the requet salad was not on their menu last night.
So, my name is Isabelle Mergo,
and the bridge is Stivia La Corse.
And so, I'm going to say that Stivia has good info.
That Christine Bravo tweeted,
and after the waiters in Corse, everything is fine.
My case has nothing.
Well, Morgan, you will not answer in Normandy.
Oh, Morgan!
No, as if Christine tweeted that.
But the end with the bridge was not created by Isabelle.
But it's not the bridge either.
The real information is Hector Obal who had it.

But no.

But say hello, it doesn't matter.

But say hello.

There is an association.

It is the Parisian who told us about it in the Barin,

an association that is already organizing the second edition of its festival.

It has already taken place last year,

and it has taken place again these days until October 13.

The goal is to fight against the aggressions in urban and festive environments.

And the association is called...

Say hello to the...

Salput.

Say hello to Salput.

There you go.

Almost.

It's not possible.

Yes, it's not super clear, but it's fine.

I would have preferred to say hello to my bitch.

It was nice.

But say hello to Salput, it's horrible.

It's against the Marseille-Mandrus,

it's the name of the festival and the association.

Say hello to Salput.

I understand, indeed, that it was difficult to find,
but it was still the real information.

I'm sorry, it will be a Montreal-RTL, Morgan.

Perfect.

Sorry again.
