The ZM Podcast Network.  
Fleshwater and Haley's Little Bit of Pod.  
Treat yourself to McCafe coffee with my Mac's rewards.  
Welcome to A Little Bit of Pod.  
Now, beautiful and lovely and smart,  
and I've started with beautiful and I apologise for that,  
but it's the first thing I saw when I looked at her.  
Beautiful producer, Shannon.  
Who's also smart and intelligent and incredibly creative.  
Yeah.  
Got a bit of a kerfuffle yesterday  
when you were out shopping in the wild.  
You've had to go old stuff.  
Yeah, I felt like a real Gen Z.  
Like, coming home from work daily,  
I'll sometimes chuck some maps on.  
Like, I'm not the most traditional advice.  
But do you know where you live?  
No, Aaron does this.  
Yeah.  
Whenever Aaron goes he maps,  
just in case there's like a bit of a root or something.  
It's good for traffic,  
because then you get the line traffic.  
Yes.  
And the road works.  
You do this two ways.  
Yeah, I do it.  
I just plug it in and I'll be like,  
home and it'll give me an estimate.  
I don't know.  
And then I'll know if it's like,  
and I like reporting potholes.  
All of it.  
On ways.  
In ways.  
I report anything on the side of the road,  
hazards, et cetera.  
Yeah, ways is good.  
But you see,  
I'd love to report the guy in the gym,  
who seems a little bit obsessed with the centre's console,  
rather than watching the road in front of him,

who seems to be reporting things.  
I've reported that guy.  
I'd like to report the gym,  
that's driving slowly in the fast lane.  
I haven't taken this bitch every day still.  
I know.  
He's so slow.  
Every day.  
Anyway.  
You're using it for navigation,  
time-saving purposes,  
whereas Shannon's using it  
because she still doesn't know where she lives.  
Yeah, I just get lost so easily.  
I like you so much, Shannon.  
You are just full of surprises.  
A lot of work going on behind the scenes  
for our live show.  
Yeah.  
I know yesterday you were out  
and you were both out and about, weren't you?  
Yeah, Carl and I,  
and we took our own cars  
because the place we needed to go  
was near her house.  
So I was like...  
No point coming back.  
Yeah, don't worry, babes.  
I've got this.  
We pull up to the place we were going  
and I said,  
just so you know,  
my phone's on 4%.  
And...  
Oh, no.  
Do you have a charger in your car?  
No, no, no.  
Always have a charger in your car.  
Always have a charger in the car.  
Yeah.  
I just...  
I don't like charging my phone  
overnight, either.

**[Transcript] ZM's Fletch, Vaughan & Hayley / Fletch, Vaughan & Hayley's Lil Bitta Pod - 14th October 2023**

So when does it charge?  
Not overnight?  
I don't know.  
I just like keeping around 30-ish percent.  
What?  
What?  
No.  
Fuck.  
Yeah.  
30 is as good as 3.  
No.  
I just...  
I don't like to overdo her.  
I feel like it's too much.  
No.  
She deserves to be full.  
Also, iPhones now have a battery-saving charging thing.  
Yeah.  
So if you turn that on...  
But do you notice?  
Do you notice?  
Oh, my God.  
This makes so much sense.  
Whenever Shannon sends us screenshots for things that we need to say...  
Oh, yes.  
...on air, it's always got the yellow battery.  
Yes.  
Yeah.  
Because she's nearly juiced.  
Battery-saving mode.  
I know.  
Battery says she's gone to low battery mode.  
It drives everyone.  
I know, Matt,  
because I'll be sitting in bed when my charge is there.  
And I'll be like,  
oh, my phone's on 10%  
and I'll just stay sitting there.

**[Transcript] ZM's Fletch, Vaughan & Hayley / Fletch, Vaughan & Hayley's Lil Bitta Pod -

This is how my grandad lived  
about petrol in his car.

Yeah.

Oh, yeah.

And I'm like,  
why would you drag around  
all that excess weight?

Oh, you're going to burn off.

And there's petrol stations  
bloody everywhere.

It's not that heavy.

If you're going...

It's heavy.

Bush.

It's not that heavy.

It takes really extra petrol  
with you, though.

Yeah.

Okay.

So you're on 4%.

Yeah, I'm on 4%.

We do the shopping  
all as well.

Phone's dead.

You're at the South Auckland.

Yes.

So Karwen goes,  
follow me home.

I will get to near my house  
and then all you need to  
do is get from

where we were to,

like near my house.

She's like,

you know where you are.

Countdown's up there.

That's the supermarket you use.

Go home from Countdown.

And then as we're approaching  
her street, she starts like  
waving like a mad woman in her  
review saying,

don't follow me from here.

**[Transcript] ZM's Fletch, Vaughan & Hayley / Fletch, Vaughan & Hayley's Lil Bitta Pod -  
14th October 2023**

Okay.  
You're on your own.  
He's your cue,  
branch off.  
So then I was like,  
stunning.  
But I was listening to music  
and I was just,  
lalala.  
What are we listening to?  
One Direction.  
Okay.  
I had my album  
because I wanted to see these.  
I run away.  
You're about to get lost  
because you didn't hit zero.  
No.  
Yeah.  
Well, cause I listened to CDs  
in the car.  
Yeah.  
Oh my God.  
You fucking phone.  
Get an aux cord.  
Don't listen to CDs.  
Fill up your car.  
I can't.  
I don't have the money anyway.  
So I'm driving.  
Fill up your car,  
you're excused on  
because that is insane at the  
moment.  
I'm going to,  
hereby gift you my phone charger,  
my car charger.  
I'm giving it to you.  
Oh yeah.  
So I'm driving and then I was  
like, oh,  
I don't know where I am.  
Like very quickly,

**[Transcript] ZM's Fletch, Vaughan & Hayley / Fletch, Vaughan & Hayley's Lil Bitta Pod -  
14th October 2023**

immediately lost.

And then I thought,  
how long have you lived in  
Auckland?

I'm from here.

Yeah.

I just wanted to reiterate.

It's always the people that  
grow up here that are the most  
useless things.

I don't even know  
the suburbs that they grow up  
up.

Yeah.

But then I thought when  
people get lost in the forest,  
they say, like, go left.

No, they don't.

Absolutely don't.

That's not a saying.

Absolutely not.

That's the shittiest advice  
because when you turn left,  
your next left is another left  
and then the next left  
is another left.

And then you're back to  
where you started.

Because then I thought,  
if I just keep going left,  
then if I'm wrong,  
I'll be back.

So I can go right.

Oh, my God.

Now I'm just Googled  
when lost in the forest  
turn left.

Not a thing.

Stay put.

When you're left,  
people can find you.

Why you followed water?

Because it goes down hell

and all water eventually.  
No, don't light a fire.  
Light a fire.  
She leaned up over a  
fucking waterfall.  
He said,  
follow water.  
What?  
It was terrifying.  
But I just,  
I didn't,  
I was going to pull over  
and just like,  
maybe stand by my bonnet  
and ask for help.  
Oh, my God.  
This does work  
in Shannon's favour.  
She's a real,  
she'd get a bit of attention  
on a bonnet.  
When I say,  
I set her up so well.  
All she had to do  
was drive straight  
for maybe like 5K.  
Cowan,  
I trust that you did this.  
You're the producer  
of this show.  
You wrangle us through  
every single day.  
I have no doubt  
that you gave  
fear instruction.  
She had to turn once  
and then turn  
right onto the street  
where she should know  
she was.  
Yes,  
the thing is that  
she wanted me to go

**[Transcript] ZM's Fletch, Vaughan & Hayley / Fletch, Vaughan & Hayley's Lil Bitta Pod -  
14th October 2023**

left then right.  
I started going left,  
left, left.  
The old adage,  
the old  
in the forest turn  
left, left.  
Of course.  
Of course.  
As Bear Grylls has always said,  
I'm Bear Grylls  
and I always go left,  
left, left, left,  
left, left, left, left,  
left, left, left, left,  
left.  
Then I'm home.  
So what did you do?  
You're lost.  
Yeah, so I did two  
lefts  
and then I was panicking  
because I was like,  
if I hit four,  
then I'm back to where  
I started.  
I did know that.  
So I managed two lefts  
and then I saw lots of cars  
going one way  
and I was like,  
that feels like motorway  
energy.  
Oh my God.  
Now you're going to a  
different suburb.  
No, I was like,  
if I can find a motorway,  
I know where I am.  
If I can hit the southern,  
I can go home.  
Okay.  
So then I just started

**[Transcript] ZM's Fletch, Vaughan & Hayley / Fletch, Vaughan & Hayley's Lil Bitta Pod -  
14th October 2023**

to follow all these extra  
cars and then there was a  
truck and I was like,  
trucks go on the motorway.  
She's just drifting along.  
They always go on the motorway.  
They never go off.  
They never off the motorway.  
So what I did is  
I did a few lefts.  
You're thinking of  
trains and train tracks,  
by the way.  
She's done more lefts.  
Yeah.  
And then I found some  
trucks and then I just  
went with them  
and then I found the motorway  
and I got home.  
You are such concern to me.  
Migratory bird.  
You just sort of  
followed the big birds.  
Yeah.  
But then it was great  
because I got home.  
I was late home as well  
because my flatmate  
was waiting for me.  
Right.  
But there was Uber Eats  
waiting for me.  
All swell and she  
made it to work today  
and we are grateful.  
Yay.  
And if you're around there  
this weekend,  
lost and alone.  
Yeah.  
Dark and afraid.  
Always remember.

**[Transcript] ZM's Fletch, Vaughan & Hayley / Fletch, Vaughan & Hayley's Lil Bitta Pod -  
14th October 2023**

Left, left, left,  
left, left, left,  
left, left,  
left,  
left,  
left,  
left,  
until you get home.
