But of course, personalities that have joined us today.
I'm sure André Manoukian, who obviously counted at the beginning of your career
since he was in the jury at the New Star,
André Manoukian will come, right André?
Yes, so Camélia Jean-Denis.
Let's say that Camélia is the elegance of a planet
and of a star that forms astral petals.
It's a cosmic star without falling into an amphigoury.
Well, there, we lost Bublil.
No, Camélia, it's a kind of..
It's a kind of comet that crosses the sky,
the melody that passes in front of the moon,
you agree with me, Philippe Manoeuvre?
But yeah!
In short, to see these comedy talents,
you have to pay 9 balls on Disney Plus!
Well, you have to apologize, Philippe.
You have to apologize, Philippe.
He spent a little bit of a party last night.
But not at all!
I have clear ideas.
I remember very well from Camélia at the New Star.
Her blonde wig, her ukulele, her mini-shirt in jeans.
But no, it was Julien Doré.
Oh, pardon me!
I'm confused this year.
Camélia, it's the debut of the head in 98.
No, that's Zizou.

What? Zizou?

Julien Doré and Camélia Jordana,
they're the same person.

Oh, what a delirious thing!

It's a lie!

You can go back to Manoeuvre already.

It's true that we are happy that you are here,
but I have to tell you that this morning here at RTL,
when I was asked who I received as a jury guest,
and I said Camélia, and they said,
the queen is coming!

And I said, well...

No, not Camélia, Camélia, Jordana.

Oh no, but it's terrible here.

You have to be careful.

You have to be careful.

Everything we say.

But Gilbert Montagnier joins us.

Good evening, Gilbert.

Yes, good evening, Mr. Nuna.

Good evening, PMP team, huh?

Good evening, Nice!

But it's not Cyril Nuna, it's Laurent Ruequis.

It's the big heads.

Oh, sorry, I was wrong about 20 hours.

Camélia, well, I find you very adventurous.

I was sad when I learned that you passed the casting of the film Dune.

Yeah, you didn't have the role.

Well, at the same time, when I saw the film,

I wasn't even stupid enough.

Come on, I'll let you go for the casting of the next Fast & Furious.

The director thinks I can do at least as well as Paul Walker.

Oh no!

See you, Laurent de la Ouche.

Camélia, Jordana, Roussin, César, we said earlier.

For the film Le Brio with Daniel Otto, it was in 2018.

And this year, at César, I think it was Antoine Decaune, the master of ceremonies.

Good evening.

Good evening. I'll stop you right away, Laurent.

It wasn't me.

I know I'm the only master of ceremonies

to have hosted the César 96 times on 49 editions.

But this year, it was Manu Payet.

[Transcript] Les Grosses Têtes / IMITATIONS - Marc-Antoine Le Bret face à Camélia Jordana

Yeah, it was Manos Lodost, you know.
By the way, Camélia, 2018, at César.
2019, a victory in music.
And 2020, a shit year.
COVID.
Thank you.
Le ou la COVID.
No, it's not true. At the same time, it's inclusive.
Le dos, le dos.
Anyway, Antia, I wanted to say that...
Thank you, Manu, you're kind.
But don't mess with me in the booths.
I'm here to present the ceremony.
The César, the big heads, are named for the role of the Belgian
who crosses everywhere on RTL.
Alex Vizorek, Alex Vizorek, and Alex Vizorek.
Finally.
The winner is...
I wouldn't have thought of Alex Vizorek.
In the category, I'm sorry,
because as a guest, I also had a César Band de Bolos.
The winners are Gérard Juniot and Valérie Mérieux.
And finally, we will thank the people of the shadows.
First, the Makers, thank Laurent Ruquier,
Caroline Diamant.
And finally, the ballet players,
thank Max Boublil and Florian Gazan.
You like big heads?
From now on, the unique content and the big heads
can only be accessed on RTL.
Download now the RTL app.
RTL now.
The eye of Philippe Cavrivière.
Eric Dupont has been there for your time.
Yes, you talked about 250,000 euros of damages in the court.
At the beginning, I was scared.
I told him to show it.
It's not true.
He sold everything, he has nothing.
This man has nothing.
The eye of Philippe Cavrivière is every morning at 7.55 on RTL.
This season, Philippe Cavrivière is also at 8.30.
