Yeah.

I look younger, but in 2050, the doctor has progressed and we can choose his ideal face.

I took the brand's logo, which was chosen as the sexiest man in the world.

For his tenth consecutive year, however, I kept my penis.

Because it was also chosen as the best man in the world for ten seconds in a row.

Ah, Franck, I know you're angry.

So I'm here to reassure you on the future.

The movie, New start, will make one billion at the box office.

There will even be 24 suites and a park of attraction on the theme of the movie.

That makes you laugh, being imitated by Marc-Antoine Lebrun.

It's always interesting when we're imitated.

That means we know our way and all that.

Now, it's difficult for me to hear.

Ah yes, yes, yes, I speak like that.

But it's difficult.

Not in the movie, but in the movie.

And you, as a rookie, do you make it weird to be imitated by someone?

It's like a recognition.

And it's in the script.

Elyse Moon is here too.

Hello Elyse Moon.

Hello.

It's Micheline.

Franck, I heard that you were divorced.

At least in your movie.

Me too, I'm currently on the mark of love.

Marquis, maybe we can conclude an affair.

At the moment, in the ass, it's the Braque Friday.

My Franck, I can already imagine the ecstasy,
descends when you will crack my contention bars
with the madness of an Usar who comes back from...

Ah yes, it was Elyse Moon.

But it's true, we called him.

You also shot a movie with Yann Moix.

So, Laurent.

I would start with this quote from French philosopher Michel Foucault

who said, do you want the 50-50 or make a call to a friend?
Or, it was Jean-Pierre, I don't know anymore.
I would like to tell Franck that I would like, if it were the attempt,
to make a cinema of E.
I am very happy that we can make a box office box.
Because...
We can't do it, it's the worst.
It's true that the first opus didn't bring a lot of money,
but I am convinced that we can easily double our number of entries.
And so, to shoot this time at least two spectators,
in a condition that him and me, let's go see the movie.
I would like to remind you that if the movie came out today,
he did two or three times more entries than most of the movies today.
Ah, Chantal down there.
Yes, you noticed.
There are three of them.
There are three of them today.
Hello my friend.
Hello, it's Chantal.
Hello Franck, I learned that you were a pudic.
I'm not talking about this slip of the wind train,
we saw that you were not afraid.
No, I'm just telling you, I learned that on the shooting of the new start,
Karine Viard said that you were a pudic,
and that you were all embarrassed at the time of the scene of the movie.
And well, it changes.
When you see the number of big idiots who do not ask for the authorization
before we shoot a hand at the end,
we can get Marc-Hoswain Lebré.
