With someone behind me, I never thought it was bad.  
Well, you still have someone who manages things  
and who secures, who can...  
you can hold a handkerchief.  
But behind, what does it mean?  
Did he hate you or what?  
What?  
He was behind me, I was telling you.  
But did he hate you or what?  
What does that mean?  
No, but that means we both bought it.  
Did he hate you?  
Did he hate you?  
He hated you, he hated you.  
He hated you both.  
And did you jump, Marcella?  
He hated me, but...  
Sometimes I gave him feelings, but...  
Well, yes, we win a beer at the court when we're drunk.  
You like that, obviously.  
Yes, I like that, and I like to be pulled by the court, in fact.  
Because I go all the way to the end of the thing.  
Ah, yes, yes.  
Do we play games?  
Ah, yes, yes.  
And then there are teams, and then we play games,  
I don't let her do it.  
But where do you play at that?  
Well, everywhere, at the countryside, I have friends,

I do that, I make musical chairs.  
Musical chairs?  
That's funny, musical chairs.  
You're very nice, for example.  
You know what?  
We put seven chairs, we have eight.  
We put music, for example Sardoon.  
And as soon as the music turns around,  
as soon as the music stops, you have to find the chair.  
You have to push it.  
If you don't have the chair, you're lost.  
So people sit above the others, they laugh.  
We're old bankers, we're rich.  
The chandelier.  
You do it all night with your friends.  
No, maybe you, but not me.  
Not me.  
And after, we only do the lion, it's a ploy.  
Do you organize karting races?  
Sorry?  
Because I think it's a karting race that I participated in.  
Yes.  
And I went to the beach and I put on a shirt.  
And very wide.  
And I took off my shirt, I didn't have a jacket.  
And karting, you have to have people.  
Well, it's karting.  
But I wanted to win.  
And I did that, my old friend, earlier.  
I won, I was the first one.  
But the chandelier completely.  
Hello.  
Who, in 1994, was arrested  
because he was being operated on  
the left testicle at the hospital?  
I don't know who it is.  
Carlos.  
The terrorist Carlos.  
Good answer from Chantal.  
Well done, Chantal.  
Yes, I know the tricks.  
Prisoner of fleurus mérogis, even a lot.  
But he's not fleurus mérogis, Carlos.  
No.

Even a prisoner courier.

Oh fuck.

It must be hard.

Why are you going to do shows in the prisons?

I was going to play in the prisons, yes.

Me too.

Yes, yes, it's good.

No, it's not good, no.

But yes, they are very happy.

They are very happy.

At the time, I was with Diodo.

I left him there, by the way.

You would have done better.

No, no, it was a big disappointment.

They are very happy to hear you play.

And what did you play?

Sketch.

Ah, yes.

A sketch.

There was even, as it is called, Omar Sy and then Testo.

Among the prisoners?

Yes.

No, no.

Among the things he was doing, we were doing sketches.

There was also Beck Benet, who had come to do something.

And we were, yes.

And then, at the end of the tour,

we went up a radio with the prisoners.

Ah, yes, that's it.

You see?

When he told me, when I change, I just saw it.

It doesn't make me flip all that.

The nickname Chantal, it's the bare white.

And then, do you have any news from him?

Well, no, he took it for quite a while.

He may hear us.

He may hear us.

I hug him.

Well, Chantal, we have a surprise for you.
