What's the best way to go on a holiday?

I'm going to show you the press pop-up.

I think I'll be able to go on a holiday for free.

Yes, because you're going to do a process.

I always attack, you know.

Ah yes, because to attack, we saw you attack.

Yes, you always attack.

It's always important to attack.

But don't pay attention to paradise, what are you doing?

I think they were hidden somewhere.

It's not possible otherwise, they weren't at home anyway.

But it's obviously going to be a friend, nothing more.

Well, as you say.

Well, there are five or six photos.

It's just a coffee terrace.

Do that with all the clients of your mobile agencies.

See, even with clients.

Even with clients.

You're rather seducing the photos.

Yes, on the photos.

It's normal, they're crazy.

But especially with their goals.

Their goals.

I'm going to say it's good.

And what does she do, this young woman then?

Well, listen, she takes care of Elena Rose and Leticia Lida.

I think we'll find out soon.

Ah, really?

You know, it's the showbiz world.

Well, yes, yes, yes, yes.

It's the big names.

I'm going to throw myself into the song too.

He was missing more than that.

He was missing more than that.

What's going on, Mr. Rukie?

You're making us laugh.

Because I'm reading an article, you know.

Well, that's what I like about you.

You're vicious.
You're vicious.
Are you going to put me in trouble or not?
By the revelations of the press people, Mr. Planzar.
I don't want to say anything.
There's a sentence that I remember that made me laugh.
It's a new client to you.
I don't know, it doesn't know your sentence.
An apartment that has already told you that you're my wife.
But if you don't go to the apartment, it's not going to work at all.
So that's it.
Oh, well, there are some songs.
So that's the sentence of a little drama that I've never read.
People are finally advising.
You know, an immobilized agent is there to create happiness.
No, but it seems that the immobilized agents and the croc are dead.
Oh, thank you.
It's starting to rain.
Yeah, I don't know what you're talking about.
No, but we have these extraordinary opportunities
to kiss like that on the occasion.
No, but the crocs are dead.
Yes, that's what the ministers say.
We've been working for years.
That's for sure.
We've been working for years.
We've been doing stuff.
And this asshole.
Yes, in two disgusting pieces.
We believe that we can rent three students in a two-meter square.
But no, it's not.
It's Mr. Edouna who said thirty-one million euros.
And that's just what's declared because then there's the value of his societies.
There's all that.
That's huge.
That's right.
A lot of people are.
What makes you rich at this point?
I don't know.
Already, as long as a sale is not made, we're not rich.
If there is the value of some of the boxes they have given like that, I don't know.
I don't know the sources of Mr. Edouna.
But the sale there is thirty-one.
What do you mean?

Well, you can find the buyer.
It's nice to have a value.
It's not what you think.
In bank, it's more.
No, it's not.
But I saw it as soon as it was announced.
Well, there are 300 women who are waiting for it.
Oh, that's what I was going to say.
What do you think about this?
You're just on the edge.
What do you mean?
Hey, don't you think that it's been all these years that I'm going to do it?
So that it's not good to get the money back?
And me, it's a new woman.
And you're one of the closers, right?
No, that's what I mean.
I put nine months to do the work in my apartment.
It's not over yet.
I'm already forced to leave Egypt because everyone has my address.
So I was going to say thank you.
It's going to be difficult for you to find a new address.
Yes, you know, I don't know who gave me the money, but they gave me my address.
But that's your grill with the pneumonia, then.
That's it.
Yeah, you shouldn't have said that either.
It was for next week, thank you.
No, but it's true that there was your address and everything.
Yes, yes, yes, they have my address.
They're waiting for me in front of them today.
Hello, when I come back.
I'm asking you because there are two real estate agencies,
competitors, of course.
But frankly, you're still not the Beatles.
Well, yes.
Why are you interested in yourself?
You have a shitty life.
And we haven't been taken pictures of the earth.
Yes.
Why is that?
Do you have a case?
Well, we were in the earth's place.
The other time, he invited me to have breakfast in the earth's place
because we were going to do a magic rehearsal.
What is it?

Is there a drop?

No, no, no, no.

It's because we're going to play a piece together.

Oh, okay.

It's called a magic couple, and it's us, the couple.

It's a comedy, but there's magic.

In addition, he puts me in a box.

I don't know who wrote this crap, but if I give it to you.
