And tonight, it will be a show with other guests of the song.

Here in Chalon, for the opening of this time of Chalon in Champagne.

I ask you to welcome Hercel, who will also be in Paris, in Trianneau, on the 28th of March, which is a hit, you have to say, with his new song, Eventbound.

Here's Marina Kay!

I held a magnifying glass up to our love

burned a hole right through it

and in the light of day, I see the end of us

Guess I always knew it

But if the sun don't shine

I can drag my heart

You can still be mine

If we stay in the dark, so shut the door

Keep the light

Your body's warm

And it's so cold outside

Take a big blow

Close your eyes

We'll be in hell tomorrow

But we're hand in hand

Tonight

Wish we could stay inside these walls wrapped in our lives

Pinging to each other

But eventually the truth will come for us

Like a knife-ish feather

If we could see the stars

We would break apart

But we still have time

If we stay in the dark, so shut the door

Keep the light

Your body's warm

And it's so cold outside

Take a big blow

Close your eyes

We'll be in hell tomorrow

But we're hand in hand

Tonight
We're hand in hand
Tonight
We're hand in hand
So shut the door
Deep in the light
Your body's warm
And it's so cold outside
Take a big blow
Close your eyes
We'll be in hell tomorrow
But we're hand in hand
Tonight
I might find that song to our love
Burn the whole ride through it
Thanks for watching
We'll see you tomorrow
We'll see you tomorrow
We'll see you tomorrow
We'll see you tomorrow
We'll see you tomorrow
We'll see you tomorrow
We'll see you tomorrow
We'll see you tomorrow
We'll see you tomorrow
We'll see you tomorrow
We'll see you tomorrow
We'll see you tomorrow
We'll see you tomorrow
We'll see you tomorrow
We'll see you tomorrow
Did you keep the same authors and composers for the next album?
I kept the main authors
Because I wrote this album with the people I wrote with
But Jean-Marie Bigard wrote three lyrics
I never wanted to sing in French, it's always in English
I already sang in French on my second album
But I always come back to English, it's something I want to do
And I said I really want to do it now
A date to remember, March 28th, 2024
Can you imagine Raclette?
It's Balot
March 28th, 2024, Trianneau
The release of the album for next year, we're waiting for seven songs
And then François Hollande
And there, Valérie Traveller, I want to tell you

I wanted to ask you not to have a relationship
And then François Hollande, I'll go first
François Hollande, thanks to Marc-Antoine Lebré for the welcome
I think François Hollande wants to say hello
Hello
Hello, hello
I think you want to talk to Marina Que, I guess
No, I want to talk to Valérie
I want to talk to him in big head to head
Or rather in big head to head
Valoch, do you want to talk?
Yes, we can talk
It's interesting, but Sanique Mavane
If we talk, then the big sketch stops
As a presidential candidate
We can do it again and you say no, go ahead, it's going to be a boss
You don't want to talk to me?
No
Well, I'm going to talk to Marina
Marina, I would like to know
Could you talk to Valérie if you want to talk to me?
Thank you for this moment
Thank you, Charles
We knew you were here because it was raining
But the sun is back
It's him, my boss
It's almost 18 o'clock, it's still sunny
Anyway, I think I'm coming, it's raining
You believe that?
Marina, we have one of your brothers
Who is here too, it's Julien Doré
Hello Julien
Thank you Lolo
Hello Marina
Marina, we both have a common point
Other than the fact of entering the 36
It's 34 months
34, 20, I charge
Marina and I, we discovered them on a TV
You were 13 at the time, but you grew up
Unlike me
You didn't have that one
Tell me, you sing in English
We understand everything while I sing in French

But we don't understand anything
The edges of my body
And the splines of my sleep
In my sleep
Hello Lelou, it's Nico
Marina, from you to me
You did well to make France an incredible talent
Otherwise tonight, you wouldn't do your big-headed promotion
But for the job
There were a few winners who managed to make it
And who will be there?
Besides, Kenji Girac is a talent
And he was the voice
Don't be unfair
I also have a colleague from RTL
Who would like to help you, Marina
I don't know if you know Julien Courbet
Yes, of course
Hello, hello everyone
It's Julien Courbet, the king of the ring
I even made you ring, I saw my show on TV
Give it back to me in advance
Marina, I know that you already have
The best RTL album of the year
So I ask you the question
Did you ask for money on the other side of the radio?
Did you sign a contract that forces you
To come once a week to the big head
To support Sebastien Tohenn?
In any case, in order not to make you ruckus
What do you recommend, master Ruckier?
Well, I recommend to Marina Ked
To stay in the RTL office
To listen to you at 18h15
In RTL, good evening
Well, that's it
And we can applaud Mark Antoine
That's a good answer
