RTL, La Valise.
Marc-Antoine Lebré and François Cluzet stayed with us.
Marc-Antoine Lebré, you're ready to help François Cluzet for La Valise, RTL.
Can you explain to him how to do La Valise, RTL?
Damn Laurent!
I thought I'd explain it to everyone.
Damn, they put a Belgian next to me.
So, La Valise, La Valise, François, it's simple.
We're called an editor.
And we're asked what's in La Valise.
You're ready to do that.
First, you have to choose a number between 0 and 20.
Damn, I'm not one of your sons.
Can you speak like that?
I don't know if you can or not.
Damn, we're always enraged.
And the editor, we call him or what?
I'm nervous.
A number between 0 and 20, François Cluzet.
The real François Cluzet.
Coco, it's your own yoke.
You're doing well, François Cluzet.
The 17th.
The 17th.
Let's go for the 17th.
There's a whip, damn it.
The name is easy to remember.
Delfine Paris.
I hope she's hooked up.

Delfine Paris lives in Verde-Rhône.
It's in Loise, Verde-Rhône.
So she's hooked up.
I'm asking you if she recognizes your voice.
Delfine is not the whip, damn it.
If she knows who you are.
And then you ask her what's the content of La Valise, RTL.
Okay.
That's right. In any case, Delfine Paris lives in Verde-Rhône.
A chance to have François Cluzet on the phone.
Hello, Delfine.
Another number, François, if that's possible.
So the 14th.
The 14th. We're going to call Manu Roag.
Manu Roag lives in Albi.
It's in Le Tarn.
Watch out.
The first sound should arrive quickly.
That's right, Mr. Roag.
Albi.
I remember that there was 1,087 euros in La Valise.
One electric toothbrush.
My variation.
And two places for the room.
Forget me at the La Breuille theater.
Hello? Hello, Manu?
Hello?
Yes, Manu, you're calling me?
Hello, Manu, it's Cluzet.
Who is it?
Cluzet.
Can you remember your name?
François.
It's good, it's good. I'm sorry.
It's good. Tell me.
Do you know the sum in La Valise, RTL?
It's the big heads that call you.
You're on RTL, Manu.
Manu.
It's not real.
Yes, it's real.
He's been laughing for 3 hours.
I don't think it's real.
I don't think it's RTL.

It's not real.
He's in his cell.
I'm going to call you.
It's the real François Cluzet
who was talking to you.
It's not the end.
I thought you were a client.
I thought it was a client.
Client.
Client of what?
What do you do in life, Manu?
I'm a musician.
Musician.
For my birthday, when I was 101 years old,
Mr. Bois de Teux.
He listened to you well.
You have clients then?
I have a few clients.
I have a few clients.
In the meantime, François Cluzet,
you asked for the content of the RTL.
What do you have?
Attention.
Is there 1,087 euros?
1,087 euros?
Yes.
Do you have money?
Wait.
It's not everything.
It's Johan Ryu on the phone.
I have the money to see the piece of oblivion.
I didn't hear it all.
2 places for the piece of oblivion
or the shine.
This morning, Florian Gazan added something.
It's not true.
Yes.
Florian Gazan is like that.
Florian, not you.
Florian, I'm talking about your son.
Didn't you listen to RTL this morning?
No.
He won some places to see the piece of oblivion.
That would have been good.

No, it's not that.
One, two, three suns.
I think it's lost if you didn't hear it.
You didn't guess it.
It was an electric toothbrush.
It's all for an electric toothbrush.
You can have one against Florian Gazan.
You missed the RTL valise.
It's a gift card.
A portable one.
Very nice.
We're going to send you Mog, Montret, RTL.
Maybe even some places to go to the cinema
to watch the movie with François Cluset.
You agree, François?
We're going to send him two places
to see a serious job in the cinema.
And if you...
No, not Oppenheimer.
I'm pretty pissed off like that.
No, a serious job.
It's better than Oppenheimer.
Sorry, Manu, but it's lost for the valise.
Thank you very much.
There's only one with you today.
There's François Cluset,
Valérie Mérieux,
Jean-Marie Bigueuf,
Jean-Dal Ladeur,
Rosine Bouchelot,
Laurent Ruchet,
Marc-Antoine Lebré.
We're a bunch of friends.
You'll listen to the show
until 18 o'clock.
You only have one minute left.
Good bye, Manu.
You
