Hello, hello, hello, hello, hello, hello.
And I think you want to talk to Marina Que, I imagine.
No, I want to talk to Valérie.
Talk to her big head-to-head.
Or rather big head-to-head, as you should think.
Valoche, do you want to talk?
Yes, if we can talk.
Interesting, but Sanique Mavane.
If we can talk, then the big sketch stops.
As a presidential candidate.
We can do it again and you say no, come on, it's going to make you mad.
Valoche, do you want to talk to me?
No.
Well, I'm going to talk to Marina.
Marina, I would like to know
could you answer Valérie if you want to talk well?
Thank you for this moment.
Thank you, Chalot.
We knew you were there because it was raining all the time.
But that's the sun.
The sun, yes.
Well, it's almost eight o'clock, it's still raining.
Anyway, I think I'm coming, it's raining.
Incredible.
Marina, we have one of your brothers who is here too.
It's Julien Doré.
Hello Julien.
Thank you, Lolo.
Hello Marina.

Marina, both of us, we have something in common.
Other than the fact of entering the 36.
It's 34 months.
34?
Oh, the 20, I'm in charge.
Marina and I, we discovered each other when we hung up.
You were 13 at the time,
but you grew up a lot, unlike me.
Oh, you didn't have that 20.
Well, you sing in English and we understand everything
while I sing in French, but we don't understand anything.
The edge of my body.
Oh, top.
She explains in my sleep.
In my sleep.
Hi Lelou, it's Nico.
Hi Lelou, it's Nico.
Hi Lelou, it's Nico.
Marina.
Marina, from you and me, you did well to make France
an incredible talent and not a voice.
Otherwise tonight you wouldn't do your big-headed promotion,
but a great job.
Oh, there were a few winners who succeeded anyway
who will be there.
By the way, Kenji Jirak is in Chalon.
And him, it was Ovaus.
Still, don't be unfair.
I also have a colleague from RTL
who would like to help you, Marina.
What, I don't know if you know Julien Courbet.
Yes, of course.
Hello, hello everyone.
It's Julien Courbet, the king of the renaissance.
Me, I made you renaissance.
I saw my show on TV.
There you go.
Come back to the front.
Well, listen, Marina, I know
that you have already hung up the RTL prize
of the best album of the year.
So I ask you the question.
Did the radio ask you for money on the other side?
Did you sign a contract that forces you

to come once a week to the big head
to support Sebastien Tohaine?
Well, in any case, in order not to make you renaissance,
what do you recommend, Master Requier?
Well, I recommend to Marina Ked
to stay in the RTL office
to listen to you at 18.15 in RTL.
Good evening.
Well, that's it.
And we can applaud Marc Antoine.
That's a good answer.
