What's the best biopic on Enzo Ferrari?

There's a biopic on Enzo Ferrari.

Enzo Ferrari's life, made by Michael Mann, is a great director.

He's a great hit, with obviously Al Pacino and Robert De Niro,

De Frick a Miami.

And my question is, this film by Michael Mann, dedicated to Enzo Ferrari, a biopic, but who plays Enzo Ferrari?

Is he a French?

He's still a contemporary actor, Mr. Az.

An American?

An American, yes.

Who is he?

Chalamet this time?

Pardon?

Timothee Chalamet?

Timothee Chalamet, no.

An American?

He's young.

He was born in 1983, so he's 40 years old.

He's going to be 40 years old, because he was born in November.

He's very, very famous.

Oh yes, he's very famous.

Orlando Bloom.

Orlando Bloom, no.

So an actor...

He turns a lot.

He's going to be 40?

Yes, he's going to be 40.

Ryan Gosling?

Ryan Gosling, no.

He's a little older, I don't know.

He's passed in the mystery of love?

I only know him as an actor.

No, but I can tell you that he wasn't always an actor before being an actor.

Oh, it's not the one who played in the famous Stevens.

What do you call it?

No one.

He answers a question by another answer.  
How do you say it?  
Chaya Lebeuf.  
Oh no, no, no, no.  
He has already obtained an Oscar for the best actor.  
Oh, it's a black?  
No, no.  
For those who are going to play, yes.  
It's audacious, it's a bit of a walk.  
And...  
What can we ask as a question?  
What can we ask as a question?  
He has received an Oscar for which film?  
I'm going to help you.  
He was named Oscar.  
No, no, no, no, no, no.  
It's a mess.  
You lost.  
Well, yeah, well, it's the same.  
No, no, it's not the same.  
He was named Oscar.  
I didn't get an Oscar, I remember.  
He was named Oscar twice.  
And he didn't get an Oscar twice?  
So for which film?  
He was even named César, the best actor.  
He'll get everything.  
But he means that he's in a French film?  
Yes, that's right.  
For the best...  
You're not Clint Eastwood's son?  
No.  
His name, I'm going to tell you.  
His name was predestined to play the role of Enzo Ferrari.  
Turbo.  
No.  
We're back on the car marks.  
No, it's not a car mark.  
Speedy Gonzales.  
Ah, José Vidange.  
I love it when I do that because it gives you things.  
Ah, well, that's good.  
Thierry Carbuch.

But which film was he named Oscar if you want to know?  
You want me to tell you that?  
Does he have an Italian head?  
No, but he played in an important film for Italians.  
Al Pacino?  
No, no, no, no.  
Do you think it's an important film for Italians?  
The number of festivals in which he's named is absolutely amazing.  
But he never wins.  
It's a bit like the Alain Juppé du cinéma.  
Ah, that's true.  
But you didn't want to tell us anything because you read it all by yourself.  
No, I'm looking for the film for which I shouldn't...  
He was named Oscar.  
I wouldn't want to.  
Because afterwards, you would have told me,  
ah, but no, it's not that one.  
Does he have a name with a French or Italian consonant?  
No, not at all.  
Ah, it's really very American.  
Ah, yes, it's American.  
Why was he named César?  
Because he was in a French film.  
But it must have been a great role.  
Ah, yes.  
No, he was the best actor for a second role.  
Ah, well...  
Ah, yes.  
For the Césars, not for the Oscars.  
Does that mean he speaks French?  
Ah, he may have been dubbed...  
Ibaraguin.  
Stan Kutcher?  
In 2022...  
Oh, Stan Kutcher, he doesn't turn anymore.  
I don't know how many times.  
Oh, yes, he's still turning.  
In round, in round.  
He was dubbed for a Ferrari.  
In 2022, he was in...  
I'll tell you, I'll help you.  
He was named for the Césars for the film Annette.  
Ah, it's the guy who was in Star Wars.

Ah, yes.  
I'll say the first name.  
Oh, he's Vilam.  
It feels like he's...  
It's a whipped cream.  
It's melted.  
And the girls must be so beautiful.  
Ah, he's Pyrrhanine.  
Adam Driver, indeed, who played in Star Wars.  
He was also named for...  
Oh, he's a great actor.  
For Black Kamsman, too.  
Ah, yes.  
And Annette, in César.  
And indeed, he has a name.  
Yes, Driver.  
Ah, yes.  
Ah, yes.  
Well, yes, Driver, chauffeur.  
For the Formula 1.  
Conductor.  
I couldn't give you better.  
Ah, yes, that's the best clue.  
The best clue.  
As an indication, it was the best clue.  
You should have presented the show.  
It was incredible.  
I think, Mr. Haz, that I'm going to go back to questions about Week 14 and Week 15,  
because, you see...  
Ah, I found Mr.  
No, but just...  
No, but because it's personalities who haven't yet marked their time.  
No, no, no.  
It's a major actor.  
It's a major actor.  
He's strong.

Speaking of major actors, what has become of Schumacher?

But it's not at all major actors.

We knew we'd lose her.

At one point, we knew she was going to end up becoming...

Wait, wait, wait.

Is she going to do Week 15?

You were talking about the Guardian of the German team,  
or the Formula 1 pilot.

No, the Formula 1 pilot.

Since we are in the Formula 1,  
and he was a great champion,  
and then he had an accident,  
and then we don't hear him anymore.

Well, now he's going back to his father-in-law,  
driving his companion.

The eye of Philippe Cavriviere.

Eric Dupont was left behind for your credit.

Yes.

So, you talked about 250,000 euros of damages in the court.

At first, I was scared.

I said to myself,

fuck, he's going to pay for his show.

It's not true.

He sold everything.

He has nothing left.

This man has nothing left.

This man is in the woods.

The eye of Philippe Cavriviere.
