

[Transcript] The Realignment / Marshall & Saagar Weekend Special | Submit Your Questions for a Israel, Hamas, and Gaza Themed Episode

Marshall here. Welcome back to the realignment everyone. A lot of listeners wrote in asking a bunch of different questions about Israel, Gaza, Hamas, the peace process, what's going to happen in the next few weeks and months. And of course, the broader Middle East. So I decided we're going to do something a little different. We're going to take today's episode off. Don't worry, we'll be back with a regular episode tomorrow morning. And instead, soccer and I are going to get together and record a special Ask Me Anything Q&A and week in review discussion episode. That will come out on Sunday. So you have plenty of time to do the following. You can A, write in with any questions or comments you have, realignmentpod.com or if you subscribe to the Supercast, you can of course go to realignment.supercast.com and submit questions and comments there. We're basically going to take this as an opportunity to soft reboot the Supercast Ask Me Anything week in review discussion function, especially given the fact that world offense are heating up and of course we're getting closer and closer to the election year. It's going to be great to find a way to bring me and soccer together consistently again. So look forward to those on Sunday. So hope you all and enjoy the work that we have coming up. And of course, look forward to coming back with normal programming tomorrow. See you all soon.
