What do you think of Wendy's new breakfast 2 for \$3 Biggie Bundles? They find each other beautiful. They meet in the RTL's parking lot. Because there is a RTL parking lot. Do you have a place for a RTL parking lot? Yes. Not at all. Not at all. All the seats are reserved for the RTL info. That's not true. No, nothing to do with it. Where is the direct seat? And when I'm parked, I see a kind of little Nana in a little pettace without a leopard. And above all, it's not in the leopard. It's the combination of the two. With soft, but pink, pink, Barbie around the steering wheel. I say, what is this thing? I go out and then I see Karine doing, see you later! You have a steering wheel in addition and pink, pink, Barbie. But why did you put that? Because when I turned the wheel of love in the press, because I turned it before it was broadcasted, he customized me a little golf cart, putting a lot of stuff and a little pettace with all the herbs that smell good. You know, the little things we hang on for example. The little soap, I had all the colors. I had little hearts. And I had this famous pink Barbie wheel. I loved it, I thought it was too funny. And suddenly, I'm going to do it again. You're too slow, it feels like you're going to see it. What you see, it doesn't like you, pink Barbie wheel. I don't have a car. No, but a shovel instead. Because I'm tired, I have my fingers. Well, a shovel with a pink doll, that's what I like. Because I'm going to do gardening. I have amputations. Now that there are gay farmers, you should launch the pink doll shovel.
