decided not to compare them with Arsene Lupin.
Oh no, there's a big distribution because it's a musical comedy with a...
A lot of means?
Yeah, a huge casting.
There's Takuro Azakuma, Shiro Arata, Daichiiguchi, Hiroshi Okuyama...
They managed to get it!
Plus, they're so nice, the Japanese.
It's incredible how civilized they are.
I don't know, I don't know anyone.
It's Julien Courbet, 24 hours on 24 hours.
Yeah, that's for sure.
And you're the master.
It's not because they're nice that we have to be dumb.
No, no, they're not nice.
There were kamikazes, they're polite.
Not the same.
Yeah, but...
They're the source of the community.
They're just a bunch of assholes.
They're all clean.
But I loved it!
Listen...
You don't know?
I forgot.
You only have Japanese toilets, that's all.
Sorry?
You only have Japanese toilets in America?
Oh, that's good too.
Oh, yeah, you press on Massage, there's Massage.
It's a blue card.
But for Massage, there are hands that come out.
That's right, I can see the Japanese toilet.
No, but...

No, honestly, listen...
It's really because I wanted to see you again.
Otherwise, I would have stayed there.
That's what you say!
