At Domino's, we're so obsessed with pizza, we'll try to turn pretty much anything into pizza.

Sizzling pizza fajitas?

Pizza milkshake.

Probably not the best pizza ideas, but a great idea?

Domino's Loaded Tots.

We bake our tots hot and crispy and load them up with melty cheese and delicious toppings, just like our pizza.

From savory Philly cheesesteak to craveable cheddar bacon and mouth-watering melty three cheese, Domino's Loaded Tots are just like Domino's Pizza.

Only on Tots!

Can someone turn a fan on in here?

Domino's Loaded Tots, next time you order.

There was what?

Jack Lang.

Jack Lang?

Jack Lang?

There was Jack Lang?

Oh yes, it's impressive.

Are you sure it wasn't Kisri Chart?

No, no, no.

Oh yes, there was Jack Lang and Sapin.

No, there were two Corbauds.

Yes, yes.

There were no black tinctures available in Paris.

They consumed everything in the word.

It was a black hole.

I saw it, so I didn't like it at all.

I rarely had it happen.

I don't like it.

I mean, it happens.

Well, I hate it.

I always complain against taxis that make me do it.

I don't like that we open the door.

I feel like I'm in a big trouble to be able to open the door.

I find it painful.

But now I understand, it's Versailles, Le Finst, why not this one?

Very well.

We open the door to him.

But not a look.

For the porter, yes.

Not a look.

Not a look.
Not a little foot.
Gerard Larchinomé, my little piece.
No, but you say thank you.
It's the point of things.
I don't know.
But even Amy, you don't say thank you, but at least.
Yes.
A look.
For the little people.
Yes.
But nothing.
The guy is out of the bathroom.
Gerard Larchinomé.
Like that.
Not even a look.
Because he must drive with a driver.
He must be driven by a driver all the time.
And so, sir, I say thank you.
They are disconnected.
I don't care if he saw it in his hand.
He would have looked at it.
At his hand.
But I swear it hurts me.
Because what shocked me is the king who is out.
He doesn't even have a look for his end.
Who has had a look.
Well, that's what comes to mind.
You're not going to get it.
You're going to get it.
You're going to get it.
You're going to get it.
You're going to get it.
Caroline.
No, but listen, the only thing that is positive is the king.
It's unconditional love that this woman has.
Excuse me, you criticize Camilla on her physique.
No.
But she's not accompanied by James Bond.
That's not wrong.
And we listen to her, sir.
That's not wrong.

The eye of Philippe Cavriviere.

Eric Dupont has been arrested for your crime.

Yes.

So, you talked about 250,000 euros of damages in the court.

At first, I was scared.

I said to myself, shit, he stole his watch.

It's not true.

He sold everything.

He has nothing left.

This man has nothing left.

This man is in the woods.
