RTL.
The big heads answer to the audience.
Hello, Ode, how are you?
Hello, very well, thank you.
You left a message on our address but thegrostetsrtl.fr
but that, I have to say, is rather destined to Jeremy Ferraris.
I got it, I don't want to make my Jalou, but anyway.
The beautiful boy.
Hello, Ode.
Hello, Jeremy.
Hello.
You have a lot to tell me before.
What a coincidence.
No, but I am very moved to have you all on the phone
because, as I said in my email, I was listening to you with my grandfather.
That's a bit too much for me then.
To have you all online today, but me a lot.
But it's true that I wanted to leave a message for Mr. Ferraris today
to thank them first of all to prove to us that when we go through a very difficult period,
the darkness in our lives, with determination, we can always get up.
But yes, that's what I was saying to Bernard.
Be careful.
He got up, he got up because he got kicked by the window.
We hear a little accent in your voice, Ode.
And you are Belgian, right?
A little, yes, a little.
You are Belgian?
You are Belgian?
Yes, yes, yes.
Bravo, bravo.
There is Alex Visorette who makes the face.
I recognized you right away.
I followed Mr. Visorette, I am an expatriate in France.
You see that you are also a surfer.
Love for him?

Love for Visorette?
We can't go this far.
I hope so.
We can't go this far.
And where are you from in Belgium and where are you from in France?
I am from Kévi, a small town close to Monts.
And I moved to Petite Forêt.
Maybe you can leave it.
The question didn't bring much interest behind it.
I hug you, Ode.
Stefan, now.
Well, Stefan, it's for Alex Visorette.
You see, everyone is around.
Hello everyone.
Hello, Stefan.
Are you a fan?
Yes, we are.
Do you really hear us?
Well, and us, in real life, it's a pleasure to hear you too.
Because as usual, we don't even hear you.
No, but because I am a fan of Alex Visorette,
because I think it's good what he does.
We have fun and then all the team,
with the problems I have,
it's good that we hear you every day.
Well, yes, of course.
Stefan, you are a fan of Alex Visorette,
we don't understand what he is saying.
He has health problems.
It makes you forget your problems.
I got it.
It's good that we hear you.
Well, yes.
I'm going to send you a Germanac,
because you wrote to me,
I would like a Germanac,
big heads.
Yes, yes, yes.
Well, then...
I wanted to hug my mom.
Did you hug your mom?
What mom?
Valérie?
My mom mentioned it for everything she did for me.

Oh, no, no.
My mom mentioned it.
My mom mentioned it.
Pierre-Yves is now on the phone.
Hello Pierre-Yves.
Hello Laurent.
Hello big heads.
Hello the audience.
Oh, well, the audience,
he is dishing out today.
Hello.
It's nice.
And then, spontaneously,
so...
Last year,
I went to Lantaine.
You offered me two watches,
you tell me.
Yes, that's a lot.
Well, so you take them.
You don't take them?
Why two?
I gave them one to my dad,
who is a fan of the show.
She is on the buffet in the living room,
as if it were an object of great value.
In the middle of family photos and libraries.
It makes me laugh a lot
because it annoys my mom a lot.
Wouldn't you have a second one?
No, a third one.
So, a third one, actually.
In fact, we are...
Yes, I'm going to abuse it.
I would like two others.
Well, in addition, now,
they have been made in France.
You will see the difference now.
Oh yes?
It doesn't work anymore.
You will see.
Now, sometimes, it stops.
Good grief.
In any case, you send the two watches.

Pierre-Yves, his first.

Guillaume.

Hello.

Guillaume.

Guillaume has hesitated.

It has been several months
that he wanted to send us a little coup de gueule.

Yes.

And then, finally,
you hesitate.

You send us this coup de gueule.

What's going on?

So, I had a very big coup de gueule
that turned into a big coup of heart.

Oh.

It makes me happy.

It's precisely because of the watches.

It was made in China.

Now, in France,
and I saw that last week.

Well, that's true.

Absolutely.

Now, because you already had a RTL watch,
and you saw that the back was made in China.

That's it, yes.

So, I would like to change it.

But it's the faith in the watch today.

So, we don't take back the old watches.

No, because if all of them

that we have made,

a Chinese RTL watch,

since 1965,

we ask now to exchange their Chinese watches

against French watches,

we will not be able to get out, sir.

You know,

there is a hole in the back,

it's not necessary that there is a hole in the RTL.

Guillaume.

Yes, well, I just wanted to send it to you.

Still, yes.

You can't listen to what we said.

It doesn't matter.

He wants to show it to you.

Well, listen to them.

Nothing for you then, Guillaume.

Daniel.

Well, Daniel,

Daniel, it's great

because it's an audience

that does what we call proselytism,

isn't it, Daniel?

Yes, hello.

Hello, Daniel.

Hello, Daniel.

Hello, big heads.

Hello, Daniel.

Hello, hello.

Hello, Daniel.

You do proselytism, Daniel.

So what?

So, so...

Ah yes, it was on.

Laurent, he stopped taking four times.

Hello, when you said proselytism.

We all understood that he didn't understand the word.

We all understood that it was prepared in advance.

There is nothing religious in it, Mr. Daniel.

Proselytism, yes.

Proselytism, yes.

Proselytism, yes.

That means you listen to RTL.

Ah!

To others.

That's proselytism.

That means...

We're listening to you.

Hello, Daniel.

Hello.

Yes, because in fact...

Hello, hello.

Yes, well, you see, it's quite simple.

Hello.

Hello, Daniel.

Hello.

You see how much it shows.

It's true that as long as I train, there are women, I have learned new words.

Yes, but the autograph.

It's not very easy, proselytism.

No, but it's true that...

I thought proselytism...

Yes.

It's still my current, proselytism.

You're still there to learn.

We must put it in the car.

Yes, that's it.

Anyway, we thank you, Daniel.

Kisses, Daniel.

Thank you.
