RTL

The big heads answer to the audience.

And Jean-Marc is on the phone, he's our favorite auditor of the day,

and Jean-Marc is...

Until next time!

Until next time!

That's it.

I've already decided to take it now.

Everyone's nice, everyone's nice.

Everyone's nice, everyone's nice.

Jean-Marc, hello.

Hello Laurent.

I'm so happy to have you.

I'm so happy to have you.

I was telling you it was our favorite.

Jean-Marc.

Hello Jean-Marc.

Hello.

Hello.

Jean-Marc, what's the problem with your daughter?

She's a teenager, isn't that right?

Don't talk to me.

Don't talk to me.

I only know bullshit.

What did she do to your daughter then?

Well, what can I say?

I was in a spa, for example, I wrote to her.

She threw me carrots and onions, crying.

Here's the hot pot, for example.

No, it makes you laugh.

It makes me laugh now,

but on the other hand, it doesn't really make me laugh.

You talked to her,

and you said to her,

for you, I'm just an old fool who spends 100 years laughing,

and she said to you,

no, you're not that old.

Yes, it's not that old.  
No, it's just that it's quite recent.  
And the other day, she brought you for the first time.  
I imagine what age your gift is.  
Here, I have one that's 18 and the other that's 20.  
No, it's not that old.  
It's not that old.  
No, but I'm talking about the one we have in 72.  
That's her mother.  
There was one who brought her fiancée,  
and so your future gender, I imagine...  
No, don't talk to me.  
Your future...  
Don't talk to me.  
Your future gender.  
She said,  
hey, how are you doing?  
Yeah, so she didn't like it.  
After, she told me that it was flattering,  
but I don't know if it's flattering,  
but it's very funny.  
But in fact, I wonder,  
why do you tell us that?  
So why do I tell you that?  
Well, it's because I wrote a book,  
and I just wanted to send it to you.  
And what's your book called?  
Well, it's very simple.  
You know, it's a newspaper of an adult,  
the bad times of a modern source.  
I don't know, it's a bit...  
You've recognized Nicolas Sarkozy.  
And it's at which...  
It's a dance.  
It's at which publisher?  
It's in brand.  
It's auto-edited.  
It's an editor.  
Very good.  
Well, listen, we're going to look for it,  
and we'll offer it.  
Why not?  
Aline, who is the next auditor.  
Goodbye, Jean-Marc.

Hello, Aline.

Hello, Laurent.

Hello, the big stars.

Hello, Aline.

Hello, Aline.

I'm from the auditorium too, Aline.

Yes.

And you didn't listen to us all  
during the summer, a bit of happiness.

Exactly.

In your gray,

but what's your gray?

And what do you do in life?

My gray, no, it's because,

no, actually,

I had some little health problems.

You too.

And in fact, exactly.

And in fact,

every day, I listened to you.

It did me good.

That's right.

And RTL should be reimbursed  
by social security.

Exactly.

I'm going to send you a mug, RTL.

Yes, it shows the moral well.

Because the news show them.

I hear, there's Caroline with you.

I love Caroline.

Yes.

With what taste did you go?

Aline.

I'm sorry.

Caroline, I heard too.

Oh yes, with the most intelligent.

It's really for taste.

Christophe Barbier, Bernard Mabier,  
and Valérie Mérieux.

My God, they're all great.

Of course.

We're going to send you a mug, RTL.

Since our watches are still not available.

Really?

Really?  
But why?  
It's not a mug.  
It was very good like that.  
Because we're in the middle of stock.  
I said it this week.  
If you had listened to Mr. Barbier.  
Yes, I had missed that.  
We're in the middle of stock of watches.  
We have the bracelets.  
Again.  
We don't have the...  
The bracelets.  
We hug you, Aline.  
We send you the mug.  
Kisses.  
Thank you very much.  
Beatrice.  
Now who...  
In fact, it's 52 years of marriage, Beatrice.  
Soon, yes, next month.  
Oh, the mother is happy.  
What an honor.  
How are you?  
The man has courage.  
What is the name of your husband, Beatrice?  
Guy.  
Guy.  
How old is 52 years of marriage?  
I don't know.  
It's the bathroom.  
No, but...  
The ring of the apple.  
The ring of something.  
In any case, the ring of something.  
The crinoline.  
We don't count now.  
And you listen to the big stats.  
All the two of us, then.  
All the two of us, then.  
All the day.  
Well, the afternoon by doing the scrub.  
Yes.  
Yes.

And then at night, when we are awake,  
because we have the...  
We listen to it at 3.30 in the afternoon.  
The afternoon of the night.  
Yes.  
Yes.  
That's it.  
You have a nice life.  
Yes.  
Well, you know, we have a very good night.  
You listen to us too.  
Yes, we listen to you.  
Which one is the most scrabble?  
You or your husband?  
She.  
That's it.  
He has a side, but it's me.  
Well, yes, it was sure.  
It's obvious.  
In the new edition of Scrub, there are two Z now.  
What?  
In the new edition of Scrub, there are two Zs.  
Before, one with a Z.  
Well, with a K, it's painful.  
How do you know that?  
There are two Zs in the edition of Scrub.  
Because he placed a ZZ on a flange.  
Before, with a...  
We can cry ZZ now.  
That's good, Monsieur Barbier.  
Because you missed me.  
I was all angry.  
I missed it.  
With a Z.  
Now we can cry ZZ.  
What's the problem?  
Are you set up?  
Well, yes, it brought me a lot.  
You could put a Z with the letter as a mystery.  
We hug you, Beatrice.  
We hug all the team.  
Cédric now wishes us a nice return to him too.  
Hello Cédric.  
I know Chihuahua.

I know Chihuahua.  
Ah, say hello to him.  
Say hello to him.  
Hello Laurent.  
Hello team.  
Say hello to my Cédric.  
Hello, hello Cédric.  
Hello Cédric.  
What are you doing in life, Cédric?  
I am a sports coach and I am a reconversion for personal coach  
and professional coach.  
Ah, you are not interested in these people.  
Yes, it's coaching.  
That's great.  
And then you had a little remark on the big heads since we made our return  
in some way.  
A little disappointment because during the first one you had a great presentation  
for each of the big heads but there was not one for you.  
I was slightly disappointed.  
It was not normal.  
And you have to punish them.  
Ah yes, you are right.  
Next time I will do it.  
I would say now, excellent Laurent Vucchiaia.  
And a little presentation for you.  
Yes, yes, yes.  
Yes, yes, yes.  
And if no one is interested in the small heads, we will enter.  
Attaching to you, you are surrounded by masters of words and words, masters of words  
that we wanted and no one dared to do you a little presentation.  
I would like to take the relay to say, a master of narration and a resident  
of the radio, his brilliant spirit illuminates each edition and even in his bed  
and his pillow.  
I'm going to cry.  
Please.  
I'm going to cry.  
Ah, I'm going to cry.  
It's too good.  
He is nice to your cousin.  
Listen, frankly, it's true.  
I like to dress up.  
He lives with Pierre-Louis Collier.  
Thank you, Cédric.  
We are finished by Christophe.

Hello Christophe.

Yes, hello everyone.

And it's good because we are filmed today by Paris Première and you sent me an email to tell us.

I have been listening to you for years on the radio.

I had never seen your heads because I never watch television.

So I know very little the faces of the big tests.

Oh, it's me here.

And for the first time the other day at Anami, I discovered you on Paris Première.

Well, frankly, the radio made me dream.

But it's true that when we hear in a voice, we imagine ourselves sometimes beautiful things and sometimes we are disappointed or not.

Or not, by the way, sometimes too.

Conversely, to see a beautiful surprise, you know Christophe.

And today, I'm a little more disappointed.

Yes, yes, yes.

Why?

Yes, because I hoped that there would be what he lives and there is not.

But it's my declaration of love.

Oh, but look, there is Jean-Francine in older.

Yes.

We are not very close with Jean-Francine.

What did you say?

You can repeat the question.

I said we do not feel compatible.

Yes, you have two too opposed accents.

Thank you Caroline for catching the show.

We meet again after the news of 16 hours.
