

Yeah!

When Carl's Jr. plays with fire
and a big char-brilled Angus burger
with melted pepper jack cheese,
spicy Santa Fe sauce,
and a whole fire-roasted charred Anaheim chili,
you get layer after layer after layer
of the big, bold, smoky, sweet heat
of the new Carl's Jr. Big Char Chili Burger.

Yeah!

For a limited time, they're participating in restaurants.

RTL.

The big heads answer to the audience.

Joelle is on the phone.

Hello, Joelle.

Hello, big heads.

Hello, Joelle.

Okay, I'm going to talk to you down there, Joelle.

I'm a little sick.

Ah, you're a little sick, that happens.

In any case, you want to offer a birthday cake
to your girls, Carol and Valen.

When was their birthday?

Unfortunately, yesterday.

Ah, shit, we missed it.

Ah, la, la, la, la, la, la, la, la, la, la, la, la, la.

And I was born in Santa-Bas, it's important.

In Santa-Bas?

We're going to send you RTL shows for your girls
and you, to make us forgive.

Okay?

Uh-uh.

That's not enough.

But people are excited.

Auditors have become difficult.

No one wants that.

What do you want?

I knew at the time that they would enjoy it easily.

Do you want to sing good birthday to your girls
with a day of delay?

Well, no, I would have, excuse me,

I would have already wanted
that Laurent Routier, their Lise-Momelle,
the cake, it's for them.

No, yes.
But it's very long for your girl.
Yes, it's not.
So, you see, we're going to...
It's not radiographed.
We use the radio-phonetic.
Phonic, yes.
No, but she's not French.
She's not originally French.
She discovers the language.
We have to leave her a little time.
You can go back to a good birthday,
Mr. Vizorek, it's his birthday today,
with Vizorek.
And it's his last big head.
Joël.
Joël.
Yes, Jo...
Jo, Jo, Jo, Jo.
He's going to be angry, he's going to be angry.
I don't know him.
Ah!
Ah, that's what it is.
It's not serious, he's from France-In-Tel.
That's it.
Thank you, Joël.
Marie, now.
Hello.
Hello Marie.
Caroline, Caroline, Caroline.
You only have for Caroline in your email, Marie.
It's good, Joël.
It's the best of all of you.
Ah!
Yes, it's our...
It's our work of the piano.
I would like to know who is poster.
I would love to have Caroline, diamond as a friend.
We look alike,
while being so different.
Ah, that's ugly.
You liked it.
I'm going to explain to you why I wrote this.
In fact, we look alike a lot,

because we love to play,
we're looking for answers,
and we're really in the game.
I'm proud to be able to eat,
I love to be served.
Yes.
But for example,
I'm not going to Deauville on vacation.
I'm going to Ouavre.
I'm going to China on vacation with a box of gifts.
I think Caroline won't do it.
You only make an express, then?
No, not at all.
Ah yes, no, it's on the...
the boxes of gifts, no.
It would be the end of our friendship.
But I know, that's it.
But I think we could very well eat them,
cakes and drinks of tea.
Eat it, it's there.
What a beautiful life project.
With great pleasure.
In fact, you know that in real life,
it's a horrible person, Carole Hélène.
No, it's not close at all.
What is it?
She met him, she's quite remarkable.
Have you met him, where, then?
I'm not in a box.
In Europe.
In Europe?
Ah yes, so it's already a date.
Anyway, Marie, we're going to send you a photo
dedicated to Caroline Diamant,
it's first, Ulrich, now, is on the phone.
Hello Ulrich.
Hello, it's Ulrich.
Ah, Ulrich, sorry.
We're going to go to another auditorium.
It doesn't surprise me that you are a little tatiion,
Ulrich, just read your email to understand.
Before you even want to express your reproach, Ulrich.
It's a small reproach, it's the fact that you
try to make us believe that the broadcast is live,

that we do very well that the broadcast is recorded.

Not at all, no.

Not at all, it's 11.27 am.

So Ulrich, do you understand the second degree, Ulrich?

The second degree.

There is a question to go through with you.

Because at no time, even when I joke about it,

it's precisely to make us understand that we are not live
and that we are in live.

No, it's jokes from the second, third, fourth degree, Ulrich.

And besides, we're going to have to stop here

because it's almost 16.

Come on.

The eye of Philippe Cavriviere.

Eric Dupont has been left for your credit.

Yes, so you talked about 250,000 euros of damage
in the court, at the beginning I was scared, I said to myself,
shit, he was giving it away, it's okay, it's not true.

He sold everything, he has nothing, this man has nothing.

This man is in the woods.

The eye of Philippe Cavriviere is every morning at 7.55 on RTL.
