Or two savory sausage biscuits. Whichever you pick, you can't go wrong. Choose wisely. Choose Wendy's new 2 for \$3 Biggie Bundles.

RTL, the big heads answer to the audience.

Valérie is on the phone. Not you, Valérie.

Really?

Another Valérie.

It's because otherwise, I was going to say...

Hello Valérie.

Hello.

So you corrected an error that I could have committed.

Yes.

What did I say again that you didn't have to say?

But you took Caroline Diamant.

Yes, often once a week.

But in the show, it's horrible.

Then?

She said that the lion was the king of the forest.

Yes.

And you took it back by saying, no, the lion is the king of the jungle.

Yes, yes.

But the lion is not the king of the jungle.

It's the king of the savannah.

Oh la la!

It's really a shit.

She's one of them.

Excuse me, but all the avarice are the avarice.

I wish...

I wish to continue making such mistakes.

I told you.

Who is the king of the jungle then?

The king of the jungle. It's the tiger.

Ah, it's the tiger. Okay.

And the antelopes of Mouchon and Trouvou.

Well, in the middle of the sea, apparently.

I agree with you.

I agree with you indeed.

It's true.

It's more in the savannah, but you agree with me that the jungle is closer to the savannah than the forest.

Do you see?

Yes, quite.

Ah, you're talking.

It's the savannah, the castle.

It's not all to do with a good word compared to the king of the big heads.

Oh!

You can make fun of it.

Oh, that's nice.

And who is the king of the big heads?

Well, it's Laurent Ruequier.

I don't know.

No, it's Sébastien Toulon.

Oh!

Now, he's red-handed.

I'm not red-handed at all.

So now, you really have to hang up on this lady.

Now, you're talking about a jump rope.

We hug you, Valérie.

Damien is on the phone now.

Hello, Damien.

Hello everyone, hello public.

Hello, Damien.

Hello, Damien.

There are three who are answering you.

Hello, Damien.

Damien is a big fan of Philippe Gueluc.

Ah, it's him.

You say I have the integrity of the cats' albums.

That's good.

That's enough.

Until today.

You're going to be born on October 11.

That means today is your birthday, in addition.

Exactly.

So I think he wants the new album.

Ah, yes.

So there, I have a small dedication.

Philippe, there, I think there.

It's your birthday.

It's your birthday.

The cat's birthday.

I send you Damien.

I'm going to tell you that Damien is really nice because that's exactly how he finished his mail.

I would be delighted if Mr. Gueluc could dedicate himself

to his last cat's album, which will be released on October 11 at Casterman for the sum of €15.95.

Well, Damien, it's over.

Damien, that's good.

It's a shame because if it were me that you liked you,

I would have sung Happy Birthday.

See what you escaped, Damien.

Baptiste is going now.

Hello, Baptiste.

Hello Laurent.

Hello big heads.

Hello the public.

Hello.

He's going to say a nice hello.

No, that's what he writes, Baptiste.

I thought that this year, it was the 40 years of the cat.

I find that Mr. Gueluc doesn't do enough promotion for his albums.

Ah!

Indeed, it's been years that I've been listening to the show and it's the first time I've heard about his cat.

I've never seen him or his works in stores.

So I propose to him to come and help him, he sends me the integrity.

That's another thing.

There, he's going to start having a headache, Philippe.

I know him.

I think it's going to be difficult, Baptiste.

He comes to offer one.

It's true that I find that Mr. Gueluc is someone a little timid.

Every time he comes, we don't hear too much.

Thank you.

You were talking about your cat.

Thank you for your opinion, but you know it's...

Hello Laurent and that's it.

Thank you for the sublimation because it's my natural whore who blames me.

Say that.

But come on, because it's October 11th,

I also send you a dedicated album.

It's the last one.

It's been 40 years, isn't it?

Yes, it's beautiful.

Jean-Paul, now.

Hello Jean-Paul.

You also want a cat album?

Yes.

No, Jean-Paul, it doesn't matter.

Yes, yes, yes, yes, of course.

No, Jean-Paul, you can come back to what Mr. Bigard said.

It interests me because it's in the Debrief podcast, I don't listen to it.

It would surprise me if he said a bullshit.

Already that I listen to everyone for 2 hours and 30 minutes.

I admit that I don't listen to Debrief's podcasts.

Every day, there is a big head that debriefs the broadcast in podcasts.

And you even listen to the debriefs of Jean-Paul.

Yes, yes, first of all, hello.

Hello Jean-Paul.

Hello Mr. Jean-Paul.

Hello Mr. Gueluc.

Do you want me to repeat the question, Mr. Jean-Paul?

No, no, no.

Yes, I listened to the debrief by Jean-Marie Bigard, who made you wonderful compliments.

Because indeed, as I said in my message, I find that the big head, the real big head, is Jean-Marie Bigard.

Oh, it's me?

Well, yes.

Oh, yes, it was you.

The king of the big heads.

Tell me that you don't speak of Tohens.

But you know, in fact, he answers well because he has the answers.

Yes, it's not a game.

No, no, Mr. Ruquet, you are a quite culture.

Oh, what do you want, Mr. Ruquet?

I follow you more closely.

Hang on, Mr. next, hang on, Mr. next.

It's enough now.

Oh, no, listen to me too.

There is a book out.

I'm going to offer it.

It just came out on the show on Robert.

A book on expressions, good feet, good eyes, the explanation of more than 150 French expressions.

I send it to you and I offer it to you.

Dedicate, Jean-Paul.

Paul, are you going?

But not in the ass.

The return to the Philippines is going to cost you a lot.

Oh, you are in the Philippines.

You are a heroine trafficker.

Great.

I am Belgian and migrate to the Philippines.

Oh, well, listen, you are such a backer in front of nothing.

We send you the guide of the expressions,  
good feet, good eyes, from Robert to the Philippines.

I send you the bonus of the big heads

only available on the RTL app.
