Olivier, what brings you here?

So, it seems, Olivier, that you're going to be with the boss.

First of all, how is our boss going?

He's doing well.

And did you say yes or no?

Well, you, it's not going to be too late to say yes, if he wants to stay in this box.

Because he doesn't give up easily, he has this reputation.

No, he has more to his head than to give up.

But I think he's still due to some intellectual qualities.

Because he gives hope to the project that I have.

It's very funny, right?

Ah, so much better.

Well, we continue your shitty show.

You didn't tell me what you said was good for me, that's what counts.

I said, I said to the director, I'm sorry.

Sir, who is it?

It's a total happiness.

It's L'Enrico Macias de la Comique.

It's a boy who is so nice,

by the moment, he would almost take it for a girl.

So nice as a boy.

Would you like to ask for a little compliment for me too then?

If you want the compliment, I'll see them to talk to me.

You'll learn it from me.

You can't say what I'm able to say.

You can't say that you have a real talent,

that there is no guy who can follow you today,

that this show exists only thanks to you.

I can say that I know that it's true,

that it will take 42 years for me to train in this studio.

42 years.
