and participation maybe.

You're going to the Velodrome stadium
for the Pope's Mass, Mr. Mabile?

No, no, no.

You're not invited?

No, no, no.

I was in Versailles.

It's not bad.

Oh, really?

You were in Versailles?

No, yesterday.

I visited Versailles yesterday.

I was disappointed

because I looked at the red carpet.

And before, on BFM TV,

can you imagine?

You didn't have a big head.

I expected to have a big head.

I was happy with the English crown

because at the time of the crown,

I said, usually, the cockpits are on the balcony

and there are two glans there.

Yes, indeed.

And I think they hesitated.

And I think they hesitated because he planted a chain.

So...

No, but I saw Jacqueline arrive.

Oh, but it's hot.

Yes, yes, yes.

It's obligatory.

He lives there, he lives there.
No, but if they invited Jacqueline
as former minister of culture, I imagine,
and asked me, I was there in front of them.
I'm going to see Jacqueline arrive.
In fact, when they took the red carpet,
he was stuck inside.
He used it the last time.
He's president of the Institute of the World Arab.
He's always president of the Institute of the World Arab.
Yes, 82 years ago.
Yes, so we don't have to go to Versailles
when we're president of the Institute of the World Arab.
Yes, but he's part of the personalities of the...
Yes, we went to Netsys, it was Charles III.
Yes, it doesn't matter.
There were flans, there was Guillaume Gallienne.
Yes, yes.
He was not free.
With his wife.
Would you like to be invited, Isabelle?
No, no, it's not...
It's not very intimate, as Diney said.
I like heads to heads.
But he's nice.
Charles?
Normally, the English, it was necessary.
I am very happy.
He gave him too many classes because
I thought he was a Portuguese.
But I swear, I didn't expect that.
I am very happy.
Charles, the day he went to the Portuguese in Sablé,
he gave him all this.
I would have liked to be a little smile
to see what we could say.
The tables were next to Mick Jagger and Gérard Larcher.
In my opinion, in the course of the meal,
I can't finish your potatoes.
He is above all Gérard Larcher.
A name, a pronoun.
You're not wrong.
Do you like heads?

The eye of Philippe Cavriviere.

Eric Dupont has been left for your time.

Yes, so you talked about 250,000 euros of damage
in the court.

At the beginning, I was scared.

I said to him, shit, he gave him his watch.

It's not true.

He sold everything, he has nothing.

This man is drunk.
