You're not going to marry your son?
I'm going to marry my son.
But not in the show, really?
No, in the show. I'm just an actress.
But it seems like there are only robbers in Berkeley.
Really?
Listen, I don't care. The scientists come to see me.
Are there robbers or not?
How can there be only robbers?
The shopkeepers pay a lot.
No, I think what Ari calls robbers is just the poor.
It's quite surprising to see a real donbass sitting next to a ziz.
No, no,
no,
I think it's not a problem, it's not a problem.
You could make a bubble for as I like.
No.
There are several sizes.
It's true, they're beautiful both of them.
Yeah, yeah, yeah. It's two debates, the Nord-Kil, the Bulimis.
You're about to go to Berk, so Sunday, Ziz of the Pannier.
Yes.
But don't only do Berk as a city in the north.
No, I've done others.
But hey, it's the first time with this show, this season.
But is it true that the city of Berk exists?
Yes.
Berk on the sea.
Yes, but it's crazy.
No, it's very pretty.
You have beautiful promas.
No, but it's huge, it's called Berk.
It doesn't make any sense.
You don't have to go around in the name.
It's very pretty, Berk.
There's the sea, there's beautiful beaches.

It's a very good fish.

But here it is.

And the people of the north are wonderful people.

Yes, because they have in their eyes the blue that lacks warmth.

You see that it's the hidden son of Enrico.

The people of the north.

Ziz is going to eat fritters and fritters.

Oh, well, the contentionists.

You can eat fritters and fritters.

It's been a long time since she hasn't eaten fritters.

Because the only one who eats fritters here is Marcel's chain.

Stop.

It's a nickname for Ziz, fritters and fritters.

Madame Ziz of the Pannier, I'm happy to talk about these shows.

Ah, it's Jean Ziz.

She rarely comes here.

And it's a phenomenon.

Berk doesn't come back yet.

He doesn't know what they're going to see, Berk.

But if I already went there once, there are two years.

It's not true.

Yes.

They'll make you come back.

Ah, it worked so well.

It was a city of 30 people, a meal of this kind.

But no.

Not at all.

It's the party of the coquille Saint-Jacques.
