

[Transcript] The News Agents / This week on The News Agents: USA - Will America continue to make Russell Brand rich?

This is a global player original podcast coming up on news agents USA
We're going to be talking about Donald Trump's latest thoughts on abortion and they might surprise you have a listen mr.. President
I want to give voters who are going to be weighing in on this election. Yeah a very clear sense of I think they're all gonna like me
I think both sides are gonna like me
Have to happen is you're gonna have to listen you're asking me a question
What's going to happen is you're gonna come up with a number of weeks or months?
You're going to come up with a number that's going to make people happy because 92% of the Democrats don't want to see abortion after a certain period of time if a Federal ban landed on your desk if you were reelected would you sign it at 15?
You're talking about a complete ban of ban at 15 well people people are Starting to think of 15 weeks. That seems to be a number that people are talking about right now
Would you sign that I would I would sit down with both sides and I'd negotiate something and we'll end up with peace in that issue
For the first time in 52 years. I'm not gonna say I would or I wouldn't I mean to Sanctis
Was willing to sign a five-week and six-week ban you support that you think that I think what he did is a terrible thing and a
Terrible mistake. We're gonna be hearing from Russell Brand interviewing Ron DeSantis again
When did that start happening? I've got a copy of The Courage to Be Free Ron DeSantis book in my hand now to
endorse it by proximity and contact Ron
Thank you so much for joining us on Stay Free with Russell Brand. Well, thanks for having me and thanks for plugging the book
Not everyone does that. I didn't even ask you to do it. So appreciate it and we're gonna answer some of your listener questions
Or maybe I should say attempt to answer. They were really good questions. Join us for news agents USA on global player
This has been a global player original podcast and a Persephoneka production
